

What are the biggest challenges, opportunities, and trends shaping Sterile Processing today?

During SPD Week, we'll be launching our **Processing Your Perspective Survey series**, featuring daily surveys with 3 to 5 questions focused on hot topics affecting our profession. Your insights will help us capture a snapshot of where the industry stands today and where it needs to go in the future.

Plus, participants will be eligible for a chance to WIN a prize package from SteelcoBelimed!

It's super easy to participate!

- Scan the QR code to our SP Week 2026 webpage and click the Daily Survey Link.
- These links will take you to our Survey of the Day.
- Complete and submit your answers to be eligible for the daily drawing for prizes.
- Three (3) winners will be randomly chosen each day (Sunday - Saturday).
- Be sure to bookmark the webpage so you can complete all 7 of our short surveys for better odds of winning a prize package!

*Participants can only win one (1) prize pack for the week. All winners will be notified no later than October 31, 2026. See SP Week 2026 webpage for full details and rules.

Survey Schedule for the Week

- S** Survey 1: The Conversation Starts with Clean
- M** Survey 2: The Work Doesn't Stop after Decontamination
